DID YOU KNOW?
HEAD START IS FOR THE WHOLE FAMILY.

✓ **Parents Are Partners**
Parents play an active role in their child's education and Head Start experience.

✓ **Families Set Goals**
Head Start works alongside families as they pursue goals or education, employment and family well-being.

✓ **Parents Can Lead**
Families have opportunities to participate in program decision-making and leadership.

✓ **Support Goes Beyond the Classroom**
Families can connect with resources and services that support health, stability and well-being.

✓ **Learning Continues at Home**
Head Start helps parents support their child's learning and development every day.

When families grow stronger, children do too.
